

We Go to Great Links for Featured Employers

As a Featured Employer on **JobJournal.com**, your job listings are linked to a variety of pages on our award-winning website, giving jobseekers many places to click on your openings.

- On the JobJournal.com home page, your logo rotates under the banner for 'Featured Employers' and a click takes visitors to your job listings.

- Your logo appears in the Featured Employers box on the main 'Search Jobs' page, and connects directly to your job listings.

- Your job is one of the first jobs listed on the Job Search Results page.

- A listing on the 'Featured Employers' page includes your logo, a link to your job listings and a link to your company's website or company profile.
- Your company logo appears next to every article on JobJournal.com (over 2800!) and connects directly to your listings.
- A Featured Employer logo in your print display ad in *Job Journal* (distributed to HIREvents, colleges and universities, and employment centers) identifies you as a Featured Employer, encouraging active jobseekers to learn more about you on JobJournal.com.
- Your logo also appears in a special display ad in *Job Journal*, showcasing all Featured Employers.
- This JobJournal.com trademarked exclusive **CareerCLIXSM** lists your open positions next to archived articles related to the career fields you are advertising, boosting your online ad's visibility to jobseekers seriously interested in your career opportunity.

Featured Employer is automatically included with online display ads!
