

JobJournal.com

the Smart Choice for Northern California

Rave reviews and return visits confirm the strong reputation of JobJournal.com.

- "Best Media Website," 2005 Northern California Dottie Awards
- 100,000+ unique visitors per month
- 250,000+ page views per month

CareerClix links your job postings to the Web's largest library of career profiles and job-search information. *And it's only at JobJournal.com.*

JobJournal.com's CareerClix matches job postings to related articles from the Web's most popular resource for career profiles, sending scores of quality job candidates straight to you.

With one click, users see your targeted employment opportunities from articles specific to your industry. This guarantees a greater number of serious candidates wanting to work in your field will see your openings. We also add article links to your job postings, which provide applicants with a better understanding of working in your industry.

Single Job Posting
