

CareerCLIX on JobJournal.com

CareerCLIX links your job postings to the Web's largest library of career profiles and job-search information. *And it's only at JobJournal.com.*

JobJournal.com's **CareerCLIX** matches job postings to related articles. With one click, users see your targeted employment opportunities from articles specific to

your industry. This guarantees a greater number of serious candidates wanting to work in your field will see your openings. We also add article links to your job postings, which provide applicants with a better understanding of working in your industry.
