Meeting Employers Face-to-Face

(Bay Area) – What was the result of the last resume you emailed? Did you sit waiting ever-so patiently for a response that never came? Do you wonder if it was even received? When you come to San Francisco's HIREvent, these questions won't even enter your mind because you will hand your resume directly to a live recruiter.

The San Francisco HIREvent is Tuesday, September 23rd from 11am to 3pm at the Hotel Whitcomb near the Civic Center BART Station. Dozens of companies will be recruiting to fill hundreds of immediate openings in the fields of IT, finance, customer service, public safety, sales, accounting, clerical, and more. Companies in attendance include REI, Wells Fargo, State Compensation Insurance Fund, San Francisco Police Department, and many more. Opportunities range from entry-level to management.

You could spend a month sending out faceless resumes, or you can spend a few hours meeting recruiters at the San Francisco HIREvent. Dress professionally, bring plenty of resumes, and be prepared for interviews. For more information, visit JobJournal.com or call 1-888-THE JOBS.
