Bay Area Employers Hiring in San Francisco

(San Francisco) – Yes, there ARE jobs out there, and Bay Area jobseekers will find lots of them at San Francisco’s HIREvent on Wednesday, January 27, from 11am to 3pm at the Hotel Whitcomb, 1231 Market Street (Civic Center BART).

This free job fair will feature some of the area’s top employers, actively hiring for entry-level to management positions in a wide variety of fields, including accounting, sales, education, hospitality, food service, administration, customer service, finance, law enforcement, management, and more! The HIREvent will also include a Technical section featuring employers with engineering and high-tech positions.

Jobseekers who want to make sure their resume stands out from the rest can get free, one-on-one recommendations from an on-site employment expert.

Given today’s economy, the large assortment of employers and career opportunities gathered here make this event one that serious jobseekers can’t afford to miss.

San Francisco’s HIREvent is sponsored by ABC 7 (KGO) television and *California Job Journal*. For more information, visit JobJournal.com or call 888-THE-JOBS.
